

SCHOOL SUPPLY LIST

Arts - Mrs. Soo

Dear Elementary families,

Here is the list of art supplies that will be helpful to get our school year started off right! The art supplies will be shared among all of the students, so there is no need to write your child's name on anything except the Pencil case, Markers, Watercolor Palette, and Portfolio Folder.

Community supply is our system in art class. This system helps foster a sense that the classroom and everything in it belong to everyone; it helps children how to shared and cooperate; it cuts down on competitiveness and one-upmanship; and it ensures that all children has what they need.

I fully understand that children want to have nice personal supplies and it's important to them to be responsible for their things. That's one of our main art classroom rules...."Be Responsible." But I also

want them to be able to work together and share and get along and not argue. Your child also will have personal supplies as markers, watercolors, a palette, and a portfolio folder so they will learn to take care of their own things and keep them nice so they will last longer. All of these community art supplies and personal art supplies will be keeping in each grade lockers in the art classroom.

Thank you for providing art classroom supplies.
