

SCHOOL SUPPLY LIST

PreK3 - Mrs. Dysart

In our classroom, we will utilize both personal and community supplies. Community supplies will be left in the classroom to be shared by multiple students throughout the school year and are meant to be shared. Please **do not** label community supplies. Please send supplies to school with your child no later than Tuesday, August 16. We have included photos of some of the supplies on the back of this page to help you with your purchases. We recommend Costco brand for a few items, but please do not feel obligated to purchase a Costco membership just to purchase supplies. We appreciate your support! If you have any problems finding the listed supplies, please let your child's teacher know.

Special Note:

In addition to the supplies listed, please send 30,000 won in a labelled ziplock bag or envelope to school with your child with your supplies. This will be used to purchase supplies in bulk, to cover special projects, and small expenses such as the purchase of spirit items that occur throughout the school

Required personal supplies (Please LABEL these with your child's name!!!!)

- One backpack large enough to hold an A4 size
- Folder
- One pair of indoor shoes (Croc-type shoes preferred)
