## ART

Mrs. Soo

This quarter, we focused on theory integrated art. Students explored about Color, Line, Space and Shape.

1st grade and 4th grade Students painted a flower vase still life, comprised of at least three visually interesting objects based on observation.

Through the lessons they found relationships between space and shapes, both positive and negative.

They were very excited using an easel for painting and observing real objects.

# MUSIC

*Mr. Chapa*

The end of the school year was an exciting and busy time for music class. Students selected their favorite songs of the year and made recordings as goodbye gifts for their homeroom teachers. I am so proud of their growth this year and wish you the best during your vacation.

# PHYSICAL EDUCATION

*Mr. Galles*

Q4 ES Physical Education has been an active quarter with an number of different team activities and invasive games such as scooter board soccer, floor hockey, oceans-jungles-universe, steal the cones, and steal the tail and basketball.

We certainly look forward to our summer break and continuing the progress we've made this year when the new school year begins in August.

*Upper Elementary and Middle School students playing scooterboard soccer.*

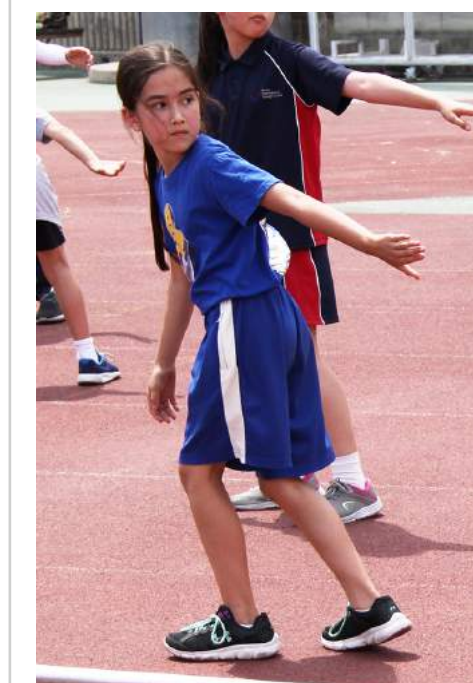

*Grade 1's playing a team tag game related to oceans, jungles, and the universe.*

Our BFS Sharks from grade 3~12 recently participated in the 2017 SKAC Track and Field competition held at the Auxiliary Stadium adjacent to Sajik Stadium. Our Sharks came away with the following ribbon awards:

**1st Place: 15      2nd Place: 15      3rd Place: 25**

We are very proud of all or our BFS Shark student- athletes who participated in this event. Equally, if not more important, is the fact that our students, coaches, and parents represented our school as great ambassadors for the BFS Shark school community. Everyone was awesome! Our students and their coaches represented themselves and our Shark family with great pride and professional conduct. We are confident that this positive growth and progress will enable our track and field program to compete well again next year, as well as in the future as our overall sports program strives to reach higher levels of success in pursuit of continual progress.

# LIBRARY CLASS

*Ms. Wesen*

In Library, we had a performance in the first grade of the story "The True Story of the Three Little Pigs" on Friday May 26.

They did a wonderful job speaking clearly and using expression.

Students were nervous but once they saw their friends and family in the audience, they did a wonderful job!

The following units were taught to the other grades.

We had a wonderful quarter!

I hope all students will read over the summer and I look forward to seeing them all again in August!

**Kindergarten:**

Caldecott Book Study

**Second Grade:**

Fables, Tall Tales and Legends

**Third Grade:**

Stuart Little Novel Study

**Fourth Grade:**

The Lion, The Witch and the Wardrobe Novel Study

**Fifth Grade:**

The Wanderer Novel Study

# ESPAÑOL

*Señora Sánchez*

Lower Elementary Objective: I can explore nature using my 5 senses (Puedo explorar la naturaleza usando mis 5 sentidos).

This quarter, students worked on research skills, listening comprehension, collaboration, and creation.

Final projects included: interactive stations, a Readers' Theater, and bringing poetry to life through iMovie.

Upper Elementary: This quarter we have continued using the Spanish language to create imaginary situations, tell stories orally and in writing, and use target vocabulary.

For final projects students created skits, developed board games, and are using Story Bird to write their own stories.

# KOREAN

*Ms. Joo*

Thank you for coming to see us at the Talent show! All the students made tremendous progress this year. See you again next year! 내년에 다시 만나요!
