

Early Childhood Classroom Supply List

In our classroom, we will utilize both personal and community supplies. Community supplies will be left in the classroom to be shared by multiple students throughout the school year and are meant to be shared. Please **do not** label community supplies.

Please send supplies to school with your child no later than Wednesday, August 16. We recommend Costco brand for a few items, but please do not feel obligated to purchase a Costco membership just to purchase supplies. We appreciate your support!

If you have any problems finding the listed supplies, please let your child's teacher know.
