

Dear Parents or Guardians,

I am thrilled to welcome you and your child to the 2017 – 2018 school year. This is my second year teaching at Busan Foreign School, and I am extremely excited to have the opportunity to become a member of the BFS family. This year, your son or daughter will have *two periods* of English instruction each day: one that focuses on reading and another that focuses on writing. This is because BFS is dedicated to increasing literacy levels so that your child will be able to explore who they are as readers and writers. The volume of work they do this year means they will be better equipped to meet the challenges awaiting them in high school and beyond.

Please look over the list of the materials attached to this page. Having these items will ensure that your child is prepared to reach his or her full potential. Also, so that I can maintain communication with parents, please provide your email address in the space provided.

Feel free to email me if you have any questions or concerns. And you can always check RenWeb if you are curious about lessons or homework.

Thanks for your time,

George Evans (gevans@bfs.or.kr)
