Dear Parents and Guardians,

Welcome! My name is Ann Jones and I will be teaching your student this year. I am happy to be starting my second year at Busan Foreign School. Before coming to Korea, I taught for 14 years in Kansas at the middle school level. I teach 6th grade Reading, Writing, and Ancient History as well as 7th grade Geography. I enjoy all the subjects I teach, but I am passionate about reading. My primary goal is to cultivate a love for reading in my students. This year we ordered hundreds of books for our classroom library and I can't wait for everyone to see all the new choices. Reading and Writing are set up as workshop classes, therefore, your student will have plenty of opportunities to read and write independently. In the social studies classes, students will be involved in project based learning activities in order to acquire a deeper understanding of the material.

Please know that I will provide a caring and positive learning environment in which your student can excel. My expectations are high and the academic content will be challenging, however, your student will be supported so that they can reach their goals and be successful. Your student should expect between 1 - 2 hours of homework each night for all classes. You can help by finding a time and quiet place where your student can routinely complete homework. I look forward to working with you and your student in order to make this year the best year yet.

Please contact me if you have any questions or concerns, either by calling the school or emailing me at ajones@bfs.or.kr. You can keep up to date on your student's homework and grades through RenWeb and I will be sending information about Google Classroom soon.

Go Sharks!

Sincerely,

Ann Jones
