## Gr.3-5 ELL SASS

My name is Olga So. This is my ninth year teaching at Busan Foreign School. I will be teaching grades 3 to 5 ELL. You are in this class for a particular reason. Perhaps you have recently arrived to Busan Foreign School or know other languages. Not to worry. All of you have different needs. Some of you need to work on your writing others need more help in speaking. Whatever the case we will improve all areas this year!!!

In ELL we will work on the four skills of learning a language: *Listening, Speaking, Reading and Writing*. We will also experience American Culture and travel around the world in many different ways: Stories, Films, Trips, and Celebrations. I am excited for another awesome year in elementary school!
