

SCHOOL SUPPLY LIST

2nd Grade - Ms. Potter

Please make sure that your child brings the following supplies to school. In our classroom, we will utilize both personal and community supplies. Community supplies will be left in the classroom to be used by multiple students throughout the school year and are meant to be shared. Please do not label community supplies. Please feel free to choose any brand you like. Korean brands are cheap and excellent. You can find most of these supplies at Daiso or at a local stationary store.

Thank you!

Ms Potter, Grade 2
