Suggestions from parents

➤ Father and daughter dance | Mother and son dance

2018.10.05: Additional ideas ...

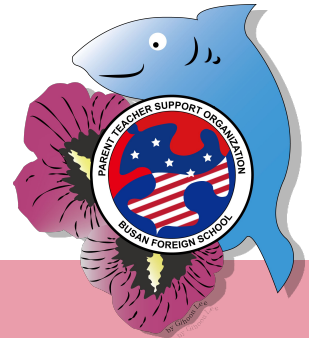

- Fundraising during the two balls => auctions (with silent or selling raffle tickets)
- Finding ways to share parent information to facilitate contacts
- Coffee morning at the school organised by grade level
- Founder's Day: how can parents be part of the day? Maybe something at the end of the day?
- Organising fundraisers to help students represent school at events where travelling costs are high
- Postpone senior breakfast this year: 1st have the parade and then have the breakfast. Also review the date.

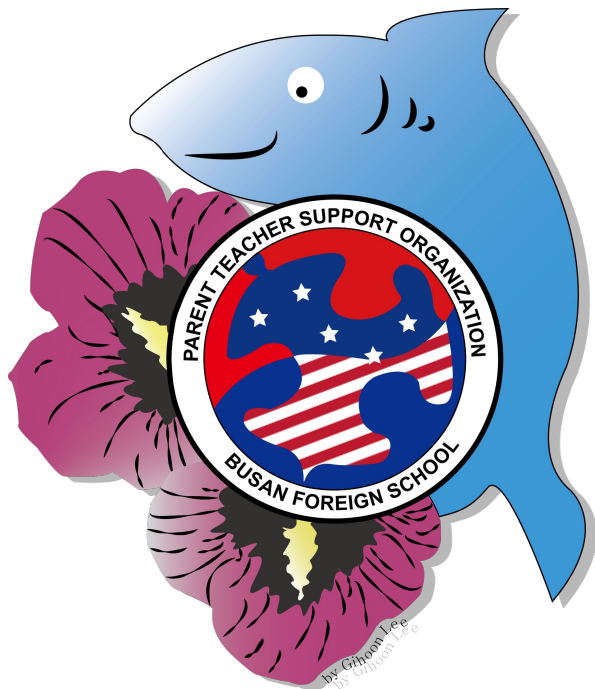

BFS will gladly support these ideas once PTSO assigns a co-ordinator.

For the dance event: Gene and Elba volunteered

For the Senior parade: Kathy and Mariana will take the lead

For Communications: Vanessa will look into creating more opportunities for parents to meet and accelerate the introduction of a secured communication platform for parents.

THANK YOU!

Let's go for lunch!
