Requests for Funding (request form link: <http://goo.gl/forms/yymibwWeYT>)

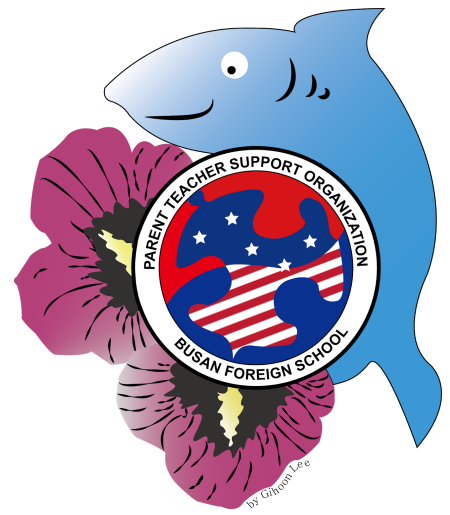

1. NHS Book Drive

- Collected 1216 books
- Need to send to The Philippines: Anini-y Incorporated high school and the Anini-y Central School (elementary) in the Philippines.
- Sending costs: box=13,500krw , shipping=120,000krw (GOLD STAR) Jumbo box. Will probably need two jumbo boxes.
- **What is the total amount of your request?**
Request for 100,000 krw of funding.
- **How will you feed back to the PTSO your project success?**The NHS is very active on both the NHS social media page and the school's social media page. The active communication that NHS exhibits will help ensure our success will be communicated to the PTSO.
- **Why do you think PTSO should sponsor your project?**Books and access to education is a privilege that not every student and child is entitled to. The Book Drive project was hence initiated by the NHS in order to hand out books to underprivileged communities around the world. The shipping fee however, heightened by current covid-19 restrictions, have been an overwhelming price for the NHS. Through several school fundraisers, the NHS has been able to

PTSO PARENT MEETING

raise up to 60% of the needed cost for shipping. We seek your help in order to help successfully ship the books to the Philippines.

=> Majority Approved

2. Lenika Putchie - Spring into Action recycling project

- Collecting caps and straws for upcycling. The collected materials will be either used by makerspace or sent to Seoul as part of the korea-wide campaign.
- **What is the total amount of your request?**
40,000 won to be divided up to two popcorn parties.(Carmel/Cheese 10,000 per bag) to encourage participation.
- **How will you feed back to the PTSO your project success?** The 3rd grade student, Jeen, and I will record a video report (and who won) and why the project is important to BFS. The video could be shared with PTSO in the next meeting.
- **Why do you think PTSO should sponsor your project?** I want people to be aware of the campaign and food is a good motivator. Older students will be happy with a free dress day if they win their competition. BFS supports the idea of upcycling.
